

The NIH Office of the Ombudsman

Center for Cooperative Resolution

CONFIDENTIAL • INDEPENDENT • NEUTRAL • INFORMAL

WHAT WE DO

We use a range of strategies to address work-related concerns and opportunities.

Our list of services includes:

- Consultations
- Coaching
- Facilitated discussions
- Workshops and presentations
- Group work, including scientific collaborations and scientific team conflicts
- Retreat facilitations

WHO WE ARE

We are an informal, confidential, independent and impartial resource for the entire NIH community:

- To discuss challenges and opportunities
- To provide strategies for professional development and personal empowerment

WHY IT MATTERS

Our office facilitates:

- Positive work relationships
- Efficient and collaborative scientific research
- Professional and personal growth and self-empowerment

Our office increases capacity within NIH for building a culture of civility and respect to support the NIH mission.
